Testimonials

The team at AFC Bournemouth were fantastic hosts for our recent team meeting in the Balfour Suite. In these challenging times, any meeting requires extra scrutiny and precaution and we had that in abundance. Temperature screening at sign-in at reception, clearly marked one-way system, meeting on arrival at the suite to detail safety measures and precautions, well-spaced and ventilated meeting room and individually packed food. Attention to detail and COVID safety were excellent, on top what is always an excellent professional and comfortable site for a meeting. We will definitely be using the facility again to hold COVID-compliant meetings.

Heineken

Just a brief note of thanks to the entire AFC Bournemouth events team for making our recent Sales meeting such a success at Vitality Stadium. The attention to health, safety and welfare for the benefit of all our attendees was so carefully thought through in advance and the venue was prepared amazingly well. The attention to detail provided all our attendees with confidence and assurance and feedback on the day was first class. Thank you for going the extra mile to facilitate our face-to-face gathering in these challenging times. We will have no hesitation in booking again. It was great to get our team together in such a safe and secure environment.

Alan & Thomas

I have worked with Natalie and the Events team for four years now and nothing is ever too much trouble. They are consistently professional, helpful and full of patience when plans change at short notice. The facilities at the Vitality Stadium are first rate and such a great, adaptable venue for large or small meetings. I have also had the privilege of attending several events as a guest and from start to finish I am so impressed with the smooth delivery, I can only imagine the hard work that goes into ensuring every guest feels special. Thank you to you all for the amazing service you provide.

Bournemouth University

We love the matchday hospitality, win, draw or lose we always have a great time and the quality of the staff, food, drinks and the entertainment is fantastic (even Jimmy's quiz..)

A great venue for the conferences we hold, ranging from a dozen of us in a more intimate setting, to over 200 attendees at whole day events. Always runs smoothly, the refreshments are always top quality, the atmosphere is so much better than stuffy hotel settings for these events. The rooms are light and airy and peering at the pitch outside in the more challenging parts every session can deliver relieves the stress and remotivates you!
