

NEXT GEN - SEASON 2021/22

AFC Bournemouth Community Sports Trust 'Next Gen' Programme aims to provide opportunities to develop and support the Next Generation of aspiring football coaches throughout grassroots football clubs.

Building on the success of our Linked Clubs programme, we recognise the need for more local volunteer coaches to support player development locally. Through this unique Club project, we aim to recruit individuals (aged 16+ years, from a diverse range of backgrounds) and offer a bespoke training programme to influence and inspire them as coaches!

In turn these selected individuals will make a positive contribution to the quality and aspirations of players through local Clubs.

WHAT WE WILL OFFER

Formal Coach Education: to include FA Emergency Aid,
FA Safeguarding Children

Enhanced DBS

Regular Continued Professional Development (CPD)

Access to bespoke online session planning

Ongoing mentoring and support

Experience within a) your local Club or b) one of our Linked Clubs

Volunteering opportunities throughout Community Sports Trust

Potential employment opportunities

WHAT WE REQUIRE IN RETURN

Eagerness to learn and develop

Commitment to volunteer regularly within your local Club or allocated
Linked Club

Reliability

Professional approach

A positive and 'can do' attitude

Keep track of sessions and matches delivered
